Thanks for checking David – I've now checked everyone's availability except Mindy, who's in Bangladesh right now and we should hear back from her tomorrow. Confirmed are Me, Billy, Leilani, Jon, Kevin, Molly, with Mindy expected but waiting for confirmation. Evelyn and Ava will be available by phone all day, and our country liaisons (the people here on staff who communicate most often with country coordinators) will call in for their respective countries. Evelyn will arrange that once we know the order we'll be dealing with them...

One question – we'd like to get maybe a single sheet or couple of powerpoints ready for each country so we maximize our time with everyone. What information do we need to put on that: staff, sites with a map, budget, surveillance plan etc.? Let us know what the priorities are and we'll get them lined up. We will have all the other information ready and people here in the office will be ready to do things like check budgets, contracts, workplans etc. to make sure everything is compliant.

We'll plan to stay at the Hyatt on campus for the Tuesday night 16<sup>th</sup> and Wed night the 17<sup>th</sup>.

Cheers,

Peter

Hey Peter,

We just discussed and this plan sounds good. To confirm, we'll plan on hosting you, Billy, Molly (or another admin lead), Mindy, and Leilani (if she can join) with country liaisons calling in to join for their country

session as appropriate.

Cheers,

David

Hi everyone – chiming in on the country by country review meeting. Glad we've got a date for this and looking forward to coming over to Davis.

Re. who should be there, I'd like to have someone from admin come over as well, probably Molly but will check in with Evelyn on this. Molly will be able to dig out the latest contract/financial data for each country so we can think through any budget changes. Also really think it would be good to have Mindy in the room because of the role she plays in monitoring and tracking compliance in the countries. Also think it would be good for Leilani to come over and I'm hoping she'll be doing this regularly with you CKJ – as we discussed in Davis last week. That said, I haven't checked in on their availability yet.

We'll line it up so that all of our country liaison people will be available that day to call in when one of their countries is up for discussion – they often have the very latest information and will be able to check in that night with country coordinators if any issues come up.

Does that sound alright?

Me and Billy will lock in the dates and we'll start booking flights. Let me know about any of the above and Alison will check availability first thing tomorrow am...

Cheers,

Peter

Good Morning Alison,

I have heard back from the UC Davis team and they are all available the dates you have given. The question was raised if Leilani will/should also be included. Can you check on that? Additionally, as your team makes their travel arrangements, will you copy myself and Katie Leasure?

We will plan for the meeting to take place on May 17. There is an EB call scheduled that day, shall we begin the Reviews after that? Participants wishing to join the call from the meeting room will have that option.

I suggest blocking 11:00 am – 5:00 pm, ending earlier if finished. I have booked a room for the meeting on Wednesday May 17, (VM3B 1001 from 8am-5pm PDT) thinking that May 16 and 18 will be travel days. I can modify those arrangements if necessary.

We can also plan for lunch to be served in the room so that the group will be able to make full use of the time together. More on that later.

Thank you for finding the dates/times and let me know if we need to modify or adjust as we move forward.  
Best, Liz

Hi Alison,

Do you mean Tuesday, May 16; Wednesday, May 17; or Thursday, May 18? If so, I will check with the team and get back to you.

(If the dates are indeed May 19 and 20, 20 is a Saturday, so not good at this end)

I am guessing just a typo or wrong month issue, just let me know correct dates, and we will go from there.

Best, Liz

Hi Liz,

Looking ahead to have a country by country review meeting in Davis, Peter, Billy, Jon, and Kevin would all be available Tuesday May 18<sup>th</sup>, Wednesday May 19<sup>th</sup>, or Thursday May 20<sup>th</sup>. Do these dates work well with the UCD folks?

Best,  
Alison
